Swap S M L red dot award 2015 winner

Arkoslight products have been sweeping up European design awards recently:

- [SWAP LED](#) downlight has achieved the Red Dot Design Award 2015 for its extraordinary design
- [SALT](#), the new high-bay fitting from Arkoslight, has been awarded with the IF Design Award 2015
- [SKY](#) ceiling light is the winner of silver A'Design award 2015
- [SPIN](#) LED pendant has won the gold A'Design award 2015
- [STRAM](#) and [AURAE](#) have been selected for Delta Awards
- SWAP, SALT and [FOX LED](#) are currently contenders for Darc Awards
- [ZEN](#) was selected at the 4th Ibero-American Design Biennale (BID Awards), winner of bronze A'Design award, IF Design Award and Delta Award

We look forward to presenting the newest Arkoslight products to the market in upcoming newsletters.

#projectlove

Barwon Health Foundation transformed Simonds Stadium in to a unique driving range under lights, allowing lucky guests to aim for a pin on the famous football oval as part of the Light Up the Green event on July 2.

Sonic Lighting was delighted to be the 'Hole in One' sponsor for the event, which raised \$24,000 to go toward the redevelopment of the chemotherapy day ward and pharmacy at the Andrew Love Cancer Centre.
