## TWIST downlight

The new [TWIST ROUND](#) from Arkoslight is the perfect recessed fixture for creating spotlight effects in your home.

The integrated 10.5watt LED delivers up to 1200lumens despite its small size, while the gimbal ring and full rotation enables any angle on any plane to be illuminated.

Now available with 24° or 50° beam spread, in 3000k or 4000k, with [square](#) trim and with dimmable options, the TWIST's elegant design and textured white finish provide discreet and minimalist beauty.

## Trill LED

The TRILL LED spot is a track mounted fitting with a new light-weight design.

Suitable for a suspended or ceiling mounted track system, the TRILL is a fully adjustable spotlight (350° tilt, 350° rotate) with 19watt Philips LED C.O.B. (3000k, 2000lm) and Osram leading/trailing edge dimmable driver.

Featuring a matt white finish, electronic LED driver and 3 circuit track adaptor TRILL is also available with black finish.

## Grovedale Hotel: Juke Garden Bar

The Grovedale Hotel recently reinvented the old sports bar into a vibrant beer garden. Earthy tones of brick and wood and pops of red, yellow and green are complimented by copper wall lights and cage pendants with coloured cord.
